Humbled you'd ask about these things. :) I definitely count it an immense privilege to serve. Grateful to the people who make up FBC. They've been a yuge blessing to my family and me.	Thanks for asking!	Grateful for your prayers and care
In general, how can we pray for you?	encouragement to be faithful investing in people - it's worth it!	to see God's path before me and walk so his light shines through me for others to see	surrender to the Lord	endurance during a busy season; wisdom in parenting	that I would continue to grow in an intimate relationship with Christ and allow him to sanctify and use me	pray for me to enjoy God, pursue holiness and love and serve others	Health of our parents...and as the psalmist says, that my steps would be "ordered by the Lord."	to lead and serve well in my rowl at the church and in my family	wisdom & humility in parenting and leading in ministry	that I would honor & glorify God, steward all His resources entrusted to me, serve Him faithfully, humbly & effectively, and love my family & others well	developing roots here in TN	God would give us clear vision on what he has called us to do	More of Him, less of me. Also, ironically... more of how He created me so as to bring Him more glory. Deeper abiding. Deeper experience of His love and joy. More availability and outpouring of His love to others.	Pray for wisdom and discernment to see God's plan for the women in our body.	1) Family medical matters, for peace in the process, it's always there. For deepened faith and confidence in the sovereignty of Christ in ALL things. 2) To lead as a godly husband, dad and grandfather. 4 grandsons so far! Really want a powerful, Christ honoring, kingdom building, Spirit filled, biblically centered family and legacy.	Endurance in a difficult season at work. Priscilla and Rebekah's health.	Wisdom, Strength, resilience, to be filled with the spirit and to experience the joy only he can provide.
